Dear Barry

BEXHILL COLLEGE

Following on from the successful completion of the project to relocate Bexhill College from our existing site to the superb new facilities at Penland Road, I am writing to express our thanks for the considerable effort you and your team employed to ensure that the project was delivered on time and to a very specific and strict budget.

The prompt and efficient manner in which the account was agreed together with the detailed monthly cost reports has enabled the college to move on without the prospect of an unagreed account hanging over us.

As I am shortly to leave Bexhill College, please feel free to use this letter as a reference for future projects, and I can confirm that I would be very happy to recommend Fanshawe for any project where the delivery of affordable quality and a professional approach is essential.

I look forward to the possibility of working with you again in the future.

Yours sincerely
