Dear Barry

I just wanted to thank you for all your hard work in producing the Reinstatement Cost Assessment (Fire Insurance Valuation) report. We appreciate the time and care it must have taken to produce such a detailed report and we are extremely grateful for your professional input in this vital area.

We also look forward to speaking to you in the near future regarding the plans for the Golden Jubilee library project.

Many thanks again for your support for the school,

Yours sincerely

Mrs A Abery

Headteacher
